*Education through practice*

## About The Institution

C.V. Raman College of Engineering, Bhubaneswar, a Centre of excellence for technical education, aims at producing a new breed of professionals with the competitive edge to match both national and international standards. CVRCE a leader in technical education has emerged as a high seat of learning with a humanistic approach to life. The history of the Institute is a fascinating chapter in the story of higher education and scientific pursuits both at the national and regional level.

The C.V. Raman Group of Institutions provides the highest quality technical education in the streams of Engineering, Management, Hotel Management and Polytechnic to students admitted from all over India and neighbouring countries.

## Chairman's Message

The young minds of the nation are ready to carve their own niche in the areas of education, entrepreneurship, sports, technology to name a few. Since its inception in 1996, CVRCE is continuously striving to satiate the thirst for knowledge, skills and progress of the youth at the national and global level. The institution firmly believes in delivering quality education meeting the international standards.

I strongly feel that the students will enjoy the academic ambience at CVRCE and will get cultural enrichment through the different activities on the campus. The degree from CVRCE will help them enhance their knowledge and expertise in their specific domains.

**Shri Sanjib Rout**
